[LinkedIn Profile](#) | [LeetCode Profile \(solved 200+ challenges\)](#)

Education

Course	Year	College/School	% / CGPA
B.Tech in Computer Science and Engineering (Data Science)	2020-2024	Vidya Jyothi Institute of Technology	7.60
Intermediate (Class XII)	2018-2020	Sultan-UI-Uloom Junior College	93%
Class X	2018	Glorious Grammar High School	7.0

Skills

Programming Languages : Java

Subjective Expertise : Object Oriented Programming(Oops) , Data Structures & Algorithms (DSA),
Database Management Systems(DBMS)

Web Technologies (MERN stack) : HTML, CSS , JavaScript ,NodeJS
Git & GitHub

Data Science & Machine Learning : Data Analysis, Data Visualization, Machine Learning Algorithms

Work Experience

Data Analysis Intern | Ecore Data Analytics | (09/2022 -02/2023) | [GitHub](#) | [Project Video Link](#)

I is a collaborative project featuring Machine Learning integrated into a web application.

It predicts various diseases based on user-inputted reports.

Flask framework, along with highly accurate (92%+) and reliable Python machine learning models,

Tech Stack : Python, Flask ,HTML ,Css, JavaScript ,Machine Learning Algorithm

Projects And Contribution

Rentify (Fullstack Web Application) | [GitHub](#) | [Project Link](#)

- ✧ A self-managed team project using **Tech Stack** : H T M L , CSS, JavaScript, Node.js, and MongoDB.
- ✧ Enabled authorized users to post products for rent, interact with registered users, and emphasized **sharing over buying**.
- ✧ Implemented authentication, authorization, and interactive UI.

Open Source Contribution | **Hacktober Fest 2023** | (10/2023 - 11/2023)

Contributed to more than 4 open source projects .

I have worked on project enhancement , fixes bugs ,contributed to large code based on requirement

Tech Stack : Java , Data Structures & Algorithms (DSA) ,Git & GitHub

Repo Links : [Project 1](#) | [Project 2](#) | [Project 3](#) | [Project 4](#) | [Project 5](#)

Responsibilities, Achievements and Certifications

- **Class Representative** (2nd Year - Present)
- Cracked **JEE with 87** Percentile.
- Solved **200+ DSA problems** on [LeetCode](#)
- Leading Inter-college Cricket Team as Captain.
- I Write Technical Blogs on [Hashnode](#)
- [CISCO Networking Essentials](#) .
